WELCOME!
Welcome to the 2018 Southeast American College of Sports Medicine Annual meeting! Stop by this spot any time if you have questions or need more information!

Keynote Address
Dr. Tim Lightfoot will provide the opening remarks and provide a talk on “Is the Revolution Underway? The Use of Genetics in Exercise Physiology” Thursday Feb 15th from 7:30-9pm in Ballrooms 1,2,3,4. Meet old and new friends at the social in the Lobby following the presentation!

Featured Lectures - Friday Feb 16th
Ballrooms 1,2,3,4 will be busy today as Dr. Walter Thompson presents on the history of step counting and step cadence training from 10:00-11am. For those interested in clinical medicine, stay from 11am-12pm for our annual Clinical Crossover Talk. From 1:15-2:15pm Dr. Michael Reid will present on Physiology of Motorsport Athletes.

Student Bowl- Friday Feb 16th
Game on! Come watch students from the region show off their knowledge as they compete to represent the entire SEACSM region at the National meeting in Minneapolis this year! This event will be from 4:30-6:00pm in Ballroom 1,2,3,4.

Graduate Student Fair- Friday Feb 16th
Looking for the next step in your academic career? Come chat with representatives from different programs in the Walker and Rose from 6:15-7:45pm.

Leonard J. Montoye Award Lecture
Join us Saturday February 17th from 11-12 as Janet Rankin speaks to the lessons she has learned throughout her impressive career!

Luncheon & Lecture
Now you’ve made it to the end of the conference! Join us for a delicious lunch as Sofiya Alhassan presents in Ballrooms 1,2,3,4 Saturday February 17th from 12-2pm. (Pre-registration required.)
Be sure to check us out on Twitter @SEACSM and Facebook - SEACSM Chapter.

Make sure to take part in our scavenger hunt for the chance to win a special edition SEACSM T-shirt! See volunteers at the student help desk for more.
